HOUSE BILL NO. 94 ON SECOND READING.

The Speaker laid before the House, on its second reading and passage to engrossment,

H. B. No. 94, A bill to be entitled "An Act to fix the salary of the county superintendent of public instruction and the county board of school trustees in each county in Texas having a population of not less than 18,425 nor not more than 18,435, according to the Federal census of 1930; providing for office expenses; repealing all laws and parts of laws in conflict herewith, and declaring an emergency."

The bill was read second time.

Mr. DeWolfe offered the following (committee) amendment to the bill:

Amend House bill No. 94 by striking out all below the enacting clause and inserting in lieu thereof the following:

"Section 1. That the salary of the county superintendent of public instruction of each county in Texas having a population of not less than 18,425, nor not more than 18,435 according to the Federal census of 1930, shall, from and after the passage of this act be not less than the sum of twenty-two hundred (\$2,200.00) dollars per annum, nor more than the sum of twenty-four hundred (\$2,400.00) dollars per annum.

"Sec. 2. That the county board of school trustees in each county in Texas having a population of not less than 18,425, nor more than 18,435, according to the Federal census of 1930, shall receive for each day spent in the performance of their duties, and in attendance upon meetings of the board the sum of five (\$5.00) dollars, not to exceed the sum of sixty (\$60.00) dollars for any one year.

"Sec. 3. In making the annual apportionment to the schools of the counties having a population of not less than 18,425, nor more than 18,435,

according to the Federal census of 1930, the county school trustees shall also make an allotment out of the State and county available fund for the payment of the salary of the county superintendent of public instruction of not less than two thousand two hundred (\$2,200.00) dollars nor more than the sum of twenty-four hundred (\$2,400.00) dollars per annum, and office and traveling expenses not to exceed three hundred (\$300.00) dollars per annum; provided, that whenever the General Laws of this State shall provide an amount greater than the expenses as herein provided, the provision of the General Laws as to the said expenses will and shall control.

"Sec. 4. The salary of the county superintendent of public instruction, and the salary of the members of the county board of trustees, in counties having a population as above set out shall be paid monthly upon the order of the county school trustees; provided, that the month of September shall not be paid until the Superintendent of Public Instruction shall have presented a receipt or a certificate from the State Superintendent of Public Instruction showing that he has made all the reports required by him; that the expenses provided for herein shall be paid monthly upon the order of the county school trustees.

"Sec. 5. All laws and parts of laws heretofore enacted which are in conflict herewith are hereby repealed.

"Sec. 6. The fact that the present salaries of the county superintendents of public instruction and the members of the county board of trustees of counties having a population of not less than 18,425, nor more than 18,435, according to the Federal census of 1930, are inadequate and out of proportion to the labor and responsibility attached to their respective offices, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days in each house be suspended, and said rule is hereby suspended, and this act shall take effect and be in force from and after its passage, and it is so enacted."

The amendment was adopted.

House bill No. 94 was then passed to engrossment.

HOUSE BILL NO. 125 ON SECOND READING.

The Speaker laid before the House, on its second reading and passage to engrossment,

(1)

Amend House bill No. 125 by striking out all below the enacting clause and substituting the following:

"Section 1. That Article 1811-141a, General and Special Laws of the Regular Session of the Fortieth Legislature, be amended so as to read as follows:

Official Shorthand Reporter—The Appointment, Term of Office and Duties. For the purpose of preserving the records in all cases for the information of the court, jury and parties, the judge of the county court at law of El Paso county, Texas, shall appoint an official shorthand reporter for such court, who shall be well skilled in his profession and shall be a sworn officer of the court and shall hold his office at the pleasure of the court, and all of the provisions of Chapter 13, Title 42, Revised Civil Statutes, 1925, relating to 'Official Court Reporter' shall and is hereby made to apply in all its provisions, in so far as they are applicable to the official shorthand reporter herein authorized to be appointed, and in so far as they are not inconsistent with the provisions of this act, and such shorthand reporter shall be entitled to the same fees as are provided for by Article 2325, Revised Civil Statutes, 1925, and in addition to such fee shall receive a salary of \$2700 annually, to be paid monthly out of the county treasury, upon order of the commissioners court.

"Sec. 2. The fact that the present laws relating to the compensation of the official shorthand reporter in the county court at law of El Paso county, Texas, are inadequate, and a competent and skillful shorthand reporter cannot be obtained under the present law, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days

in each house be suspended, and the same is hereby suspended, and this act shall take effect from and after its passage, and it is so enacted."

(2)

Amend House bill No. 125 by striking out all above the enacting clause and substituting the following:

H. B. No. 125, A bill to be entitled "An Act amending Article 1811-141a, Chapter 191, General and Special Laws of the Regular Session of the Fortieth Legislature, which act provides for the appointment of an official shorthand reporter, describing the terms of office, his oath and duties and compensation, and which act is so amended to increase his compensation to \$2700 annually, to be paid monthly out of the county treasury upon orders of the commissioners court."

The amendments were severally adopted.

Reason for Vote. X

I vote "nay" on the above bill for the reason that I have sworn to support the Constitution. Article 3, Section 57, of the Constitution, provides that "thirty days'" notice of the intention to apply for a local or special law must be published in the locality to be affected, and the evidence of the publication of such notice must be exhibited "in the Legislature." Henceforth, I will not vote on any local bill that does not comply with this constitutional mandate.
